ABOUT OUR ROSES

We number among our friends and customers, many of the leading Rosarians of this country, who have exclusively planted OUR roses for many years. If you are interested in quality, and plants that will give you many years of satisfaction and performance, we sincerely request that you give our roses a trial.

We are convinced that budded, two year old, number one grade rose bushes that have been field grown in the West under irrigation, are the finest to plant.
